

Milestone Husky IVO™ Series Video Surveillance Appliances

**UNLEASH YOUR
POWER TO PERFORM**

INTRODUCING THE MILESTONE HUSKY IVO™ SERIES

The Milestone Husky IVO™ is the optimal video surveillance appliance series for Milestone XProtect®. The support, the easy installation, and the products themselves work together to ensure you get the most out of your video management solution.

Husky IVO provides you with a broad selection of appliances to fit installations of almost every size and scale. Then there is the faster, easier installation and setup, and the greater flexibility to adapt to future needs.

The series also frees you up from a lot of the everyday hassle, so you can focus on adding even more value to

your video management solutions. All of this with the peace of mind that comes with a five-year warranty, extensive support and the option for onsite service.

With the new Husky IVO, you level up on convenience and efficiency in your day-to-day operations. Discover the value you can add when you have the **Power to Perform**.

Husky IVO™ is built with Dell Technologies' hardware expertise and Intel's processing power to achieve quality, reliability and performance.

WHY CHOOSE THE HUSKY IVO SERIES?

POWER TO SAVE TIME

Easy to install, set up and operate

From choosing units to installing and maintaining them, Milestone Husky IVO™ is all about convenience and ease-of-use. You can save time on choosing the right units, drivers and software, as well as with configuration. As XProtect® is pre-loaded, simply

turn on the unit, run the Husky Assistant, add your XProtect license code, and it's ready to go. Not only is installation hassle-free, the series is also easy to manage and service. This frees up time to spend on more important aspects of your project.

KEY BENEFITS

Pre-loaded with XProtect®

Seamless setup with Husky Assistant

Easy license activation

POWER OF PEACE OF MIND

Get support whenever you need it

With Husky IVO, the performance extends to the support behind the products. Enjoy peace of mind thanks to a single point of contact for all Milestone support — along with the possibility of deploying

onsite support. In addition, all Husky IVO appliances come with a five-year warranty and a seamless support setup together with Dell Technologies.

KEY BENEFITS

Single point of contact

Extensive support network

Five-year warranty

POWER TO ACHIEVE MORE

Benefit from optimized performance

Experience the optimal combination of software and hardware that empowers you to achieve even more with your video management solution. Milestone Husky IVO optimizes several small but important

details so you can get the most out of your Milestone XProtect solution. Overall, it's the reliable choice for those wanting optimal performance.

KEY BENEFITS

Optimal performance with XProtect®

Built with Dell Technologies hardware

Features Intel's processing power

POWER TO EVOLVE

Get the freedom to expand

Be prepared for your ever-changing needs with this scalable series of video surveillance appliances. Husky IVO can grow with your evolving video management needs. You can use them with any

XProtect product license or mix series units. Along with XProtect, you can also integrate more than 10,000 supported third-party devices to ensure the best fit now and in the future.

KEY BENEFITS

Flexible XProtect® licensing

Mix and match units

10,000 supported devices

Husky IVO 150 Desktop

The simple and reliable setup

The Husky IVO™ 150 Desktop is the most simple, easy-to-use video surveillance appliance for XProtect®. Husky 150D is ideal for smaller sites with installations of only a few cameras and a smaller scale need to view real-time footage locally.

Throughput Up to 150 Mbit/s	Storage Up to 16TB	Channels Up to 20
---------------------------------------	------------------------------	-----------------------------

Husky IVO 700R

Full redundancy for continuous recording

The Husky IVO™ 700 Rack is the ideal medium-sized video surveillance appliance that brings ease-of-use and full redundancy together — making it the perfect choice for those with a critical need for maximum uptime on their video management solutions.

Throughput Up to 720 Mbit/s	Storage Up to 64TB	Channels Up to 100
---------------------------------------	------------------------------	------------------------------

Husky IVO 350T

Freedom to scale up

The Husky IVO™ 350 Tower is the ideal choice for those wanting to start small in their video installation while having the flexibility to grow — without a heavy investment in IT resources and rack space.

Throughput Up to 360 Mbit/s	Storage Up to 32TB	Channels Up to 50
---------------------------------------	------------------------------	-----------------------------

Husky IVO 1000R

Performance and redundancy for extra protection

The Husky IVO™ 1000 Rack is a powerful 2U rack-mount appliance that brings together performance, redundancy, and time-saving ease-of-use in a single unit with a low total cost of ownership.

Throughput Up to 1080 Mbit/s	Storage Up to 128TB	Channels Up to 150
--	-------------------------------	------------------------------

Husky IVO 350R

Freedom to scale up with existing IT infrastructure

The Husky IVO™ 350 Rack is the ideal “first rack server” product for those who aim to start small in their video installation — yet want the flexibility to grow within their existing IT infrastructure.

Throughput Up to 360 Mbit/s	Storage Up to 32TB	Channels Up to 50
---------------------------------------	------------------------------	-----------------------------

Husky IVO 1800R

The right performance for critical video setups

The Husky IVO™ 1800 Rack combines performance, extensive storage and reliability with trust and quality, to bring the ideal solution for larger, complex, or critical video installations.

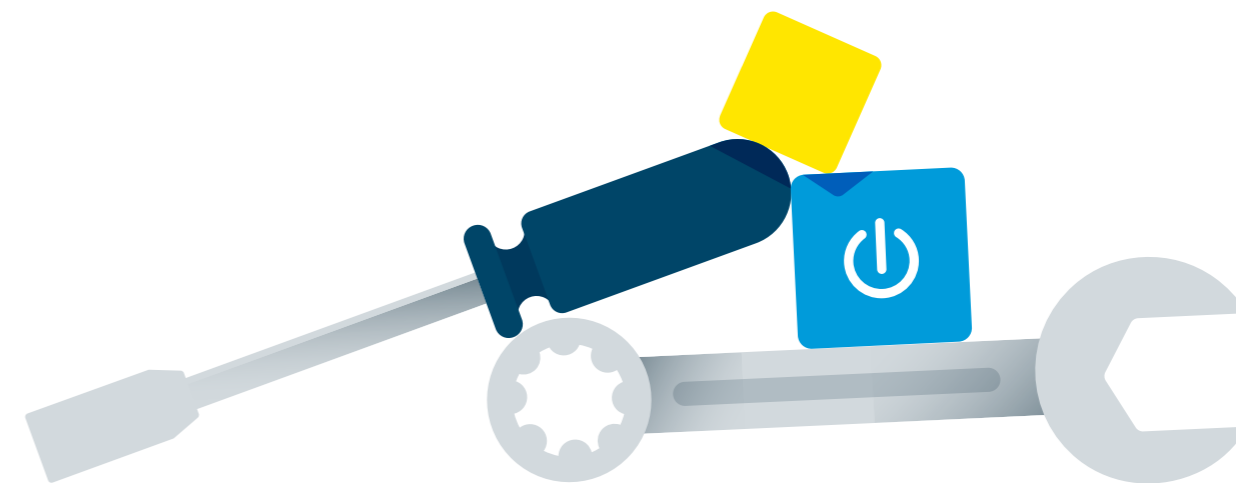

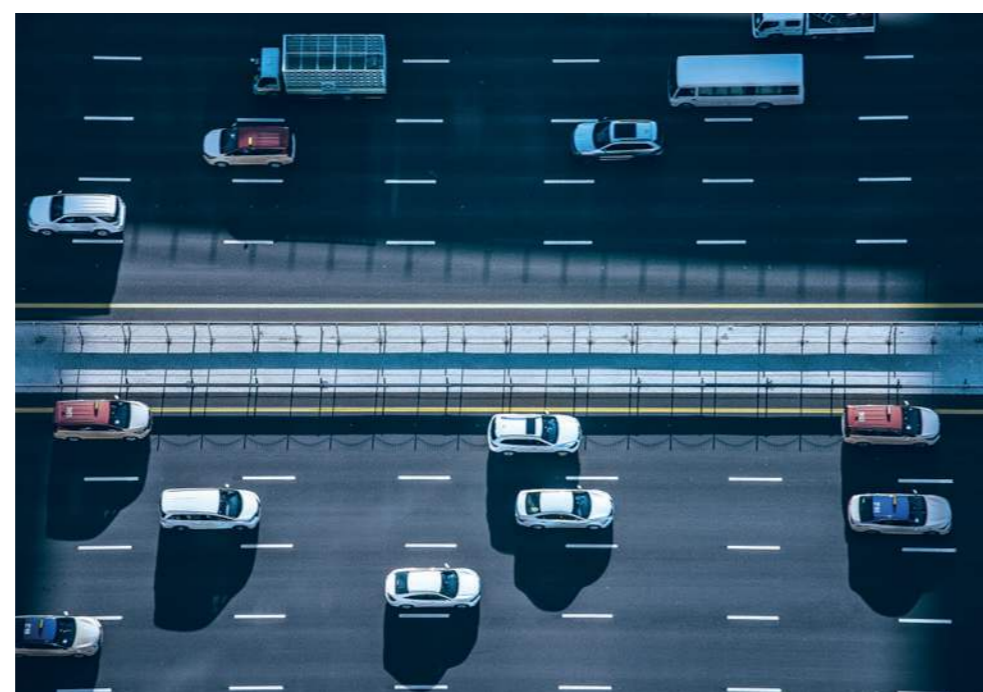

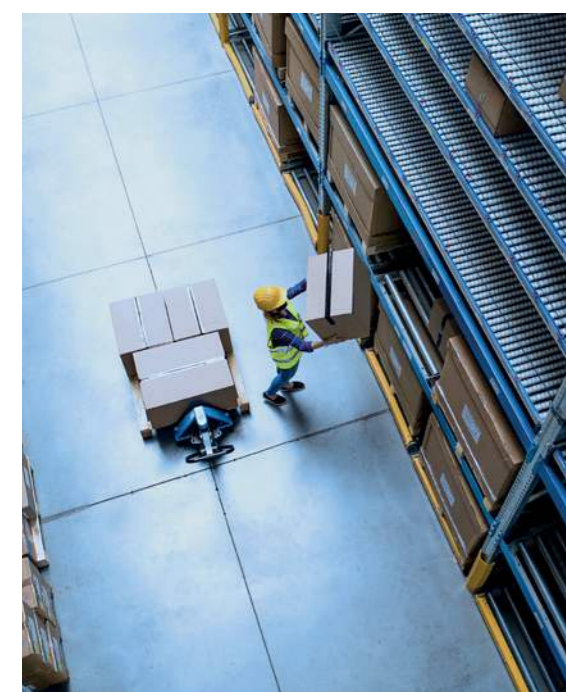

Throughput Up to 1800 Mbit/s	Storage Up to 384TB	Channels Up to 250
--	-------------------------------	------------------------------

Next level scalability and flexibility

The new Milestone Husky IVO™ series offers a range of products to cover a world of solution needs. Whether you're after a simple installation, maximum uptime or critical data storage, there's a Husky IVO that's just right for you.

SERVICE AND SUPPORT

The exceptional performance of Husky IVO is matched by the support network behind it. You can count on efficient global support and the convenience of a single point of contact.

Global support network from Milestone Systems

Our collaboration with Dell Technologies' global network ensures you get swift and efficient support.

Single point of contact

All your software and hardware issues inquiries will be taken care of quickly and efficiently.

5

5-year guarantee

A five-year warranty is standard for all the surveillance appliances in the Husky IVO series.

Onsite support

If needed, onsite support will be deployed through Dell Technologies to fix your hardware issue and get the installation up and running again.

DEPLOYMENT FLEXIBILITY

Flexibility is at the core of the Husky IVO series – and that also applies to the way you can deploy it. Whether you need it as a stand-alone unit in an installation, or as a part of a larger, corporate deployment – you have the freedom to choose.

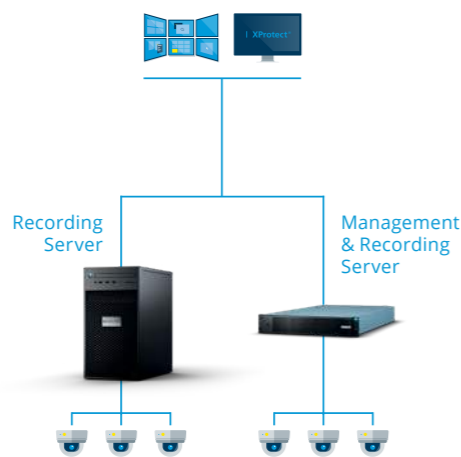

Stand-alone

All-in-one installation with limited local view

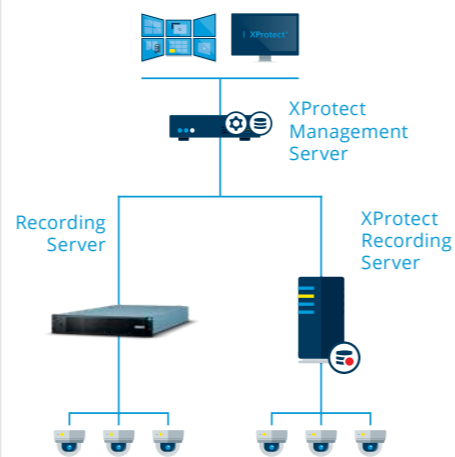

Multi-unit

Multiple units connected to form one centrally managed system

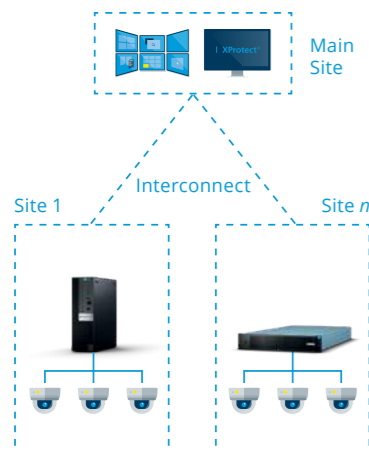

Connected to existing XProtect VMS

Husky IVO as a recording server in an existing XProtect VMS system

Milestone Interconnect™

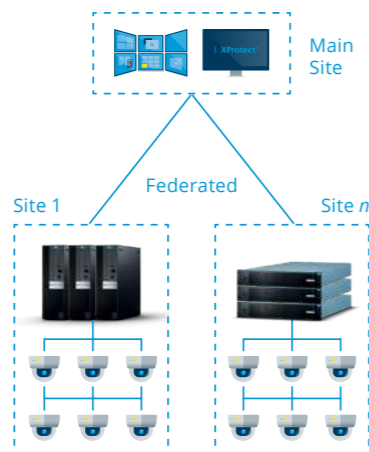

Smaller independent sites connected to a central operations center

Milestone Federated Architecture™

Larger independent sites connected to a central operations center

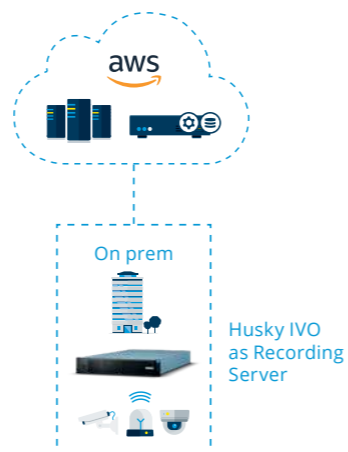

With Expert and Corporate only

Cloud-based

Single site within a cloud-managed installation, with Husky IVO on-premises

Recording server on-prem

OPTIMAL FOR MILESTONE XPROTECT®

Each Husky IVO™ comes pre-loaded with our world-renowned and trusted XProtect video management software. Thanks to its reliability and open platform flexibility, XProtect is the VMS of choice for more than 500,000 installations worldwide.

You can purchase any XProtect product license to use with all the Milestone Husky IVO units – from XProtect Essential+ to XProtect Corporate — with the option to upgrade, or downgrade, when your needs change.

FREE
