NORDIC - VMS hardware
Ver. 12.23

Nordic 300 series

Preloaded Video Management Server

for VideoInsight

Throughput:

160 Mbit/s / 32 cameras*

Storage:

Up to 16 TB**

- Easy installation
- VI software activated – Express version
- Fully tested and configured

The Nordic VMS server is pre-configured, activated and tested with the full Video Insight Software Suite. The "plug and play" server is immediately ready out of the box for a quick start in order to record and manage your cameras.

Performance: The 300 series is our entry level series for smaller installations with up to 32 cameras and live viewing of up to 4 cameras** without using a dedicated client machine.
Live viewing recommended on a dedicated monitor station CN100 / CN200

MODELS	HDD	STORAGE***
NORDIC-TW300-4	1x 4TB	7 DAYS
NORDIC-TW300-8	1x 8TB	14 DAYS
NORDIC-TW300-12	1x 12TB	21 DAYS
NORDIC-TW300-16	1x 16TB	30 DAYS

Form Factor Small Form Factor (SFF)

CPU Intel® i3-12100

GPU Intel® UHD Graphics 730

RAM 8GB DDR5

OS Windows 11 Pro

HDD 1 x 3.5"+1 x 256GB M.2 PCIe NVMe

NIC 1 x GbE (RJ45)

Raid No

* Camera counts – 1080p videostream, 3-5 Mbit/s bandwidth
** Live view/Playback - without performance loss using secondary stream
*** Storage calculation - 30 fps, 50% motion, without RAID

CN series – Monitor Stations

Designed for VideoInsight Monitor Plus

• Easy installation
• Fully tested and configured

User experience is key when it comes to monitoring CCTV systems. Each component is carefully tested regarding reliability and performance.

Depending on the application and the needs of the customer, a client computer with lower or higher specifications can be selected.

CN100

Form Factor Micro Form Factor (MFF)

CPU Intel® i5-13500T

GPU Intel® UHD Graphics 770

RAM 8GB DDR4

OS Windows 11 Pro

NIC 1 x GbE (RJ45)

Output 1 x HDMI / 1 x DisplayPort

Warranty 3 years Next Business Day

CN200

Form Factor Tower Form Factor (SFF)

CPU Intel® i7-13700

GPU Nvidia GeForce RTX 3050 8GB GDDR6

RAM 16GB DDR5

OS Windows 11 Pro

NIC 1 x GbE (RJ45)

Output 1 x HDMI / 2 x DisplayPort

Warranty 3 years Next Business Day

*Live view/Playback via MonitorPlus without performance loss using secondary stream - max. 720p
